

Welcome to the 13th Edition of the InstallationMasters™ Tool Belt Newsletter

The InstallationMasters™ Instructor Training Course that was held at the Intertek-ATI, York, PA location on January 12-16, 2015 was a huge success. Please help us to welcome the newest InstallationMasters™ Accredited Instructors!

From left to right: Bill Hughes, Aaron Krause, Rick Murray, Josh Stahl, Rhandy Barnett (front), Shawn Hess, Sandy Niesyn (front) and John Rohovit.

Interested in becoming a member of AAMA?

Any applicant who maintains their InstallationMasters™ Program certification is eligible for a 50% discount on their AAMA membership so long as their InstallationMasters certification is valid for the entire AAMA membership year (which runs from July-June for Professional or Technical Consultant members). Details about this are available at: <http://www.aamanet.org/general/2/278/aama-membership-eligibility-requirements>. There is a checkbox to indicate that you have an InstallationMasters certification and you should provide a copy of your certificate so they can confirm your expiration date.

Upcoming Events

AAMA National Summer Conference: The AAMA National Summer Conference will be held from June 28 to July 1, 2015 at the Grand Hyatt Seattle in Seattle, WA. See more at: <http://www.aamanet.org/events/1/11/0/all/219/aama-national-summer-conference>

Attention All Installers:

Check your ID Badge

- ◆ Has your information changed?
 - ◆ Is your certification going to expire?
 - ◆ Have you received your recertification notice?
- Please keep us updated of any changes to your contact or company information.

or call 717-764-7700 x3944

If you have recently become re-certified you may have noticed that we have added some new information to the certificate and ID badge. There is now an area to show how long you have been certified. When you complete your Re-Certification or if you are new to the Program you will see that "Certified since:" is now included on the certificate and ID badge. Your years of continuous certification will be indicated in that space.

InstallationMasters™ Certified Installers are listed on the website

Since you are an InstallationMasters™ Certified Installer, Intertek-ATI will help you announce your certification and promote your business on our website by posting your name on the list of certified installers found at www.installationmastersusa.com. Please review your personal information for accuracy. If there are any changes or corrections you may e-mail your changes to installationmasters@archtest.com, call us at (717) 764-7700 or simply fax it to the attention of InstallationMasters™ Program Administrator at (717) 764-4129. If you do not wish to be listed on the website, you may opt-out by contacting our office and we will remove your information from the listing.
